

We are human beings!
There is a time when the operation
of the machine becomes so odious,
makes you so sick at heart, that you
can't take part; you can't even
passively take part, and you've got to put
your bodies upon the gears
and upon the wheels, upon the
levers, upon all the apparatus,
and you've got to make it stop.
And you've got to indicate to the
people who run it, to the
people who own it, to the
unless you're free, that
machine will be prevented
from working at all.
